

FISCAL NOTE

HB 1991 - SB 2048

March 29, 2007

SUMMARY OF BILL: Requires contracts between a contractor and a local board of education for labor or services on school grounds or child care center grounds to require a clause in such contract that the contractor will not permit a sex offender who is an employee to go on school premises when children are present. A violation is a breach of contract and the breaching party is prohibited from bidding on any LEA/child care center contract for a period of five years.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- The provisions of the bill apply to the contractual obligation of a contractor to a local board of education or child care center.
- Any cost incurred by a local board of education/day care center as a result of the renegotiation of a contract due to a breach is estimated to be not significant since it is assumed that this would not be a common occurrence.
